His Excellency Fouad Siniora
Lebanon

Your Excellency,

I would like to take this opportunity to send you my warm greetings and express to you my high regard for the Future Movement of Ottawa. I have worked closely with Future Movement representatives in Canada, and it has shown itself to be an excellent organization, dedicated to giving an important voice to Canadians of Lebanese origin.

Promoting the social development of the Lebanese-Canadian community is an important mission. Through such works as organizing the annual commemoration of the tragic death of Rafic Hariri on Parliament Hill, many Canadians are reminded of the ideals for which he and this organization stand.

In particular, strengthening the universal values of freedom and democracy in both our countries, in opposition to violent extremism, gives practical expression to the Canadian tradition of pluralism. In pursuing these causes, Future Movement Ottawa not only serves those of Lebanese descent in Canada and Lebanon but all Canadians as well.

Please accept my very best wishes.

Yours sincerely,
